### Day 2 - Excursión to Perito Moreno Glacier

Breakfast. Full Day excursion to Perito Moreno National Park

This is the most spectacular and unforgettable excursion in all Patagonia. At the beginning of the tour, you will skirt Bay Redonda of Lake Argentino as well as have the chance to see Isla Solitaire.

You will go through the Patagonia valley with its natural environment of species such as guanacos, ostriches, foxes, etc. Then, you will go 35 km along the coast of of Lake Argentino's Rico Branch, among vegetation of incredible trees such as

ñires, lengas, notros and cherry trees.

At Curva de Los Suspiros you will get the first panoramic view of Glacier Perito Moreno.

An ice cloak, or glacial cap, covers this Protected Area of 600,000 hectares. Among the 356 glaciers, the Perito Moreno is the most outstanding one, having a front of 5 km long and a height of over 60 meters above the level of the water.

\* Safari Náutico included

- Optional Minitrekking (must be booked in advance).

### Día 3 - All Glacier Navigation

Breakfast. Full Day excursion.

Full day navigation around the Argentine Lake visiting the biggest glacier of the Park, the Upsala Glacier. From the boat we can see the icebergs falling out from the glacier. We make a stop for 2 hours at the Onelli Bay, where it is possible to make a walk to contemplate the glaciers Onelli, Bolado and Agassiz falling on the Onelli Lake, covered by icebergs. We board again and visit the front face of the Spegazzini Glacier, one of the highest and most imposing of the Park.
