Day 2 - Full Day Excursion to Peninsula Valdés

Breakfast. Full Day Península Valdés.

Visit Península Valdés for a unique and unforgettable experience. Declared a Natural World Heritage site by UNESCO in 1999, this is the undisputed destination of visitors to our region throughout the year. We leave from Puerto Madryn around 08/08:30 to arrive to the first stop, the Interpretation Center at Florentino Ameghino Isthmus, a small but very interesting museum that offers information about fauna and first settlements in Península Valdés. Also, this is a panoramic point from which we can

observe Golfo Nuevo and Golfo San José simultaneously.

We keep going to arrive to Puerto Pirámide, a little village of around 300 inhabitants. Here we take a boat trip to watch sea lions from the sea, to look for dolphins, to observe a fossil's cave. This boat trip lasts approximately 1 ½ hour.

Our next stop is Caleta Valdés, to observe a small Magellan's Penguin rookery. Next we visit Punta Cantor to have lunch (we recommend patagonic lamb). From the cliffs we can observe a sea elephant colony, starting their mate season in august, fights among adult males can be observed frequently.

After that we visit Punta Norte, a large reproductive sea lion and sea elephant colony.

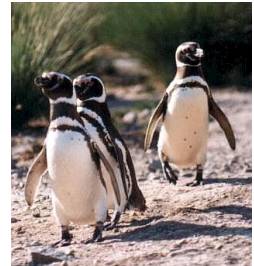

In Caleta Valdés such as in Punta Norte, from October to April is possible to observe Orcas, in coincidence with the presence of sea lion and sea elephant cubs.

Day 3 - Full Day Punta Tombo with Valley

Breakfast. Full day Punta Tombo (from september to April)

We leave from Puerto Madryn around 08:00 hs to start our trip to the south of the city, arriving to Punta Tombo after 187 kilometers. After paying the entrance fee, we are ready to enjoy the largest continental Magellan's Penguin rookery.

In this extraordinary excursion, the visitor can walk among the penguins and see close up how they build their nests, hatch their eggs, raise their chicks, feed, and see them moult in preparation for their return to the sea in the middle of April.

After visiting Punta Tombo, in our way back to Puerto Madryn we stop in Gaiman, a tradicional town where first settled the Welsh people (first town in the area). Here we make a city tour and after that we have welsh tea.

To finish our excursion we stop in Egidio Feruglio's museum (paleontological museum) in Trelew City. We made a guided visit that takes approximately 45 minutes. We came back to Puerto Madryn at approximately 18:00 hours.
